PROJECT DESCRIPTION

Provincial Directorate try to promote youth and sport activities in Bolu. There are many different kind of youth activities which we organize regularly. One of them is language course.

We aim to ensure effective learning way for our members to learn english. We believe by this way we will able to improve language level of our members. Also we will give chance them to learn a new language not just english too.

Our activities which we prepared for our potential volunteers are not just speaking club but also some youth and sport activities. We have rich diversity in both youth and sport
